HARVARD CLUB OF BOSTON

BULLETIN

JUNE 2016

Changing of the Guard: incoming President Karen Van Winkle and outgoing President Mike Shanahan

THE PRESIDENT'S LETTER

I would like to begin by thanking you, the members of the Harvard Club of Boston, for supporting my nomination for President. I am excited and inspired to be able to lead this wonderful community going forward. In particular, I would like to express my special gratitude to Mike Shanahan, who has led the Club as President over the past three years, during a time of transition, with significant challenges to navigate. Chief among them was the renovation of the Back Bay Clubhouse, a project that was necessary both in terms of code compliance and life safety, but also critical to support our members' needs and to attract new members. Under Mike's leadership, the project was completed earlier this year and we've had very enthusiastic praise for the results. Over 600 members and guests were able to celebrate this transformation at our Member Appreciation Gala on April 30. If you haven't had a chance to see all the changes, please make plans to come in and be amazed.

As a member of the Club since 1981, fresh out of Harvard, I know many of you very well, but for those who I haven't yet had a chance to meet, I'd like to introduce myself. I've held a variety of volunteer positions at the Club since my first year as a member, in addition to two tours of duty on the Board as Vice President, I have Chaired the House Committee and served on numerous other Committees. Outside of the Club, my Harvard education gave me the foundation for a 30 year career in the worlds of commercial office furniture and interior design. I am presently a VP at one of the largest commercial office furniture companies in New England. My friends and colleagues will tell you that my favorite thing is "dot-connecting," – bringing people together to pursue their business, social, and educational interests. I'd like to use my networking skills to build strong connections among our members, and to make sure our new members immediately feel a part of something unique and wonderful here.

One of my primary goals as President is growing and diversifying our membership – by retaining our current members, and expanding membership, particularly among younger people and families. There are so many opportunities for members here – not just the ability to dine or go to an event, but the chance to expand your professional network, learn about a possible career from an expert in the field, or meet some of the foremost citizens of Boston. Working with the Board of Governors and our management team, we'll be focusing on making sure our members understand the value of their membership in the Club, and that it is a relevant and meaningful part of their lives.

And I'd also like to acknowledge the work of our Harvard Club staff, some of whom have been here as long – or longer – than I have. From the person who greets me at the Front Desk when I walk in, to the accounting staff who answer my billing questions, to the servers who bring me coffee with a smile and a friendly word – everyone on the Harvard Club team is essential to creating a superior membership experience. They bring their "A" game every day, and I hope you'll let me know when a member of the staff has gone out of their way to take care of you. I can always be reached for feedback of any kind via email at **president@harvardclub.com**.

I look forward to seeing you around the Club!

Karen Van Winkle '80
President

GENERAL MANAGER'S LETTER

STEVEN P. CUMMINGS
Phone: 617-450-8400
scummings@harvardclub.com

Dear Harvard Club of Boston Membership:

I wanted to take this opportunity to thank the membership for attending our Spring Gala. We had over 600 attendees and by all accounts it was a wonderful, spirited, event.

The Club is now fully operational with our new dining outlets, private dining rooms, athletics, and overnight guest rooms. Our final project will involve the re-paving of our parking lot, currently scheduled for July 5th-July 8th. This is traditionally a very slow week at the Club. There will be no parking available but we will be securing some spaces at the garage next door. More information will follow as we get closer to the date.

Our partnership with Blue Hill Country Club now includes a "member for a day" program. This is a perfect opportunity to enjoy their fine golfing and pool facilities with your family. Please see page 7 for more information.

We have scheduled our Annual Member-Guest Golf Tournament for Thursday, September 15th at the Golf Club of Cape Cod in Falmouth, MA. Please Save the Date.

Please feel free to contact me directly at **scummings@harvardclub.com** or 617-450-8400 if I can be of service.

Sincerely,

Steven P. Cummings, CCM, CCE
General Manager

The election hasn't happened yet — but we're told that **Karen Van Winkle** is poised to become the first female president of the Harvard Club of Boston. FROM GRAY HAIR TO FLIP FLOPS: LEADERSHIP OF A MULTI-GENERATIONAL WORKFORCE

Wednesday, June 15, 2016
5:30 pm Networking Reception
7 pm Panel Discussion
Back Bay Clubhouse

To be successful today, companies must innovate, improve productivity, and think globally. But leaders of all organizations are challenged by a multi-generational workforce with dramatically different cultural values and attitudes about work among the generations. Corporate, non-profit, and government leaders must present strong, unified organizations to their respective customers, investors, and other partners. Yet, the Baby Boomers, Millennials, Gen X'ers and all other age groups come to work each day with different attitudes about affiliation with the organization, how they relate to each other, how they communicate, and what their expectations are for themselves and their careers.

Highly successful organizations make the most of these differences by creating shared values, goals, and expectations and evolve with their changing workforce.

Join a fascinating and challenging discussion of what the generational changes mean to organizations and how senior leaders are adopting to these challenges. Learn from the top researchers in the field and from corporate leaders as they share their approach and experience attracting, motivating, and engaging their staff. Learn how they shape the cultural values within their organizations so their employees are fully engaged with their mission.

Price Per Person:
$20 (inclusive) for Harvard Club of Boston Members. Price includes: hors d'oeuvres, reception, and panel discussion. A cash bar will be available at the event.
