THE PRESIDENT'S LETTER

Dear Members:

September marks the beginning of the academic calendar, and in many ways, is the beginning of the “new year” at the Harvard Club as well. We always have a new sense of excitement and purpose this time of

year, and I’m looking forward to some great events we have on the calendar over the next few months. Two in particular I’d like to mention are the Lunch with the GM on September 21 and the Fall Event Preview on October 3. With the former, you’ll have a chance to hear from Steve Cummings about our plans for the future, and you’ll be able to provide him with feedback on anything that’s on your mind. The Fall Events Preview is a complimentary event with hors d’oeuvres, wine and beer, where you can get a sneak peek at the activities we have on the calendar for the next few months. I’d also like to highlight the Club Table, a cherished tradition that was re-started over the summer. Every Thursday night in Veritas, we’ll have a “special topic” club table, where members will share ideas and stimulating discussion. Recent topics included “Encouraging responsible leadership in your community and government” and “Today’s opportunities and challenges in raising children and teens.” No reservations are necessary, feel free to just drop in and participate if you have the chance. It’s a great way to meet new members and enjoy some intriguing conversations.

Earlier this summer, we issued an Annual Survey, which the Board believes will help us make the Club more responsive to members’ wishes. Thank you to all who participated; your feedback is truly appreciated. Following are a few highlights from the results:

- Nearly 77% of members rate their overall membership experience as Excellent or Very Good
- You value your connection to Harvard through the Club

- Exclusive dining and the reciprocal network are your favorite member benefits
- Over 60% feel that our member events are of interest – but 1/3 of the membership rarely or never attends member events
- You’d like to see more educational and food & beverage events
- You’d like to get fewer emails! And, we’d like to send you fewer emails. The best way to make this happen is to update your interests on your member profile on the website. After logging in, click Member Profile in the left side navigation, then Member Interests. We’ll only email you things we think you’ll be interested in seeing
- Nearly 93% of you would recommend the Harvard Club to a friend or colleague. That’s wonderful to hear, and we encourage you to do so. The best way to build our membership is through member referrals

We learned a lot from this survey, and the Board will work with the management team to act on your many great suggestions.

Finally, I wanted to let you know that I’ve asked Matt Hegarty, Harvard Club Vice President, to evaluate our current committee structure and report his findings and recommendations to the Board in September. We want to make sure our Committees include a diverse mix of skill sets and we also want to provide opportunities for everyone to become involved in the Club. If you have any feedback or suggestions, please contact Matt directly at mghegarty@post.harvard.edu.

And, as always, feel free to contact me any time at president@harvardclub.com. I value your input and feedback.

Sincerely,

Karen Van Winkle
President, Harvard Club of Boston

GENERAL MANAGER'S LETTER

STEVEN P. CUMMINGS
Phone: 617-450-8400
scummings@harvardclub.com

Dear Harvard Club of Boston Membership:

A special thanks to those of you who have supported the Club during our traditionally slow summer season. We had a fantastic turnout at our Fourth of July Celebration, our "Meet the Chef" and our "Havana Nights" party at the Downtown Clubhouse, and both "Oyster Nights," at the Back Bay Clubhouse.

Veritas restaurant business has also remained steady during the summer months. Membership support of our facilities is crucial to our financial success and we now have a new full service dining venue along with the Back Bay Wine Room available seven days a week. Additionally the ClubPub, which serves as a place to relax, work, or meet during the day, opens at 4 pm with full bar and food service.

Just a reminder that we have scheduled our Annual Member-Guest Golf Tournament for Thursday, September 15 at The Golf Club of Cape Cod in Falmouth, MA. This is a beautiful venue for golf in September.

Please feel free to contact me directly at scummings@harvardclub.com or 617-450-8400 if I can be of service.

Sincerely,

Steven P. Cummings, CCM, CCE
General Manager

We have several dining events planned, including our first Summer Harvest Buffet on September 17 at Veritas.
