THE PRESIDENT'S LETTER

Dear Members,

Spring is finally here and it is always a busy time at the Harvard Club with graduations, reunions and weddings! We look forward to welcoming you all.

Over the past year, the Board of Governors and management staff have spent a lot of time on the issue of membership at the Harvard Club of Boston. It is simple. The more members we have, the more we can spread our costs and continue to keep our membership dues low.

We are pleased to announce a new member referral program to benefit our members. Experience tells us that the best way to get new members is for current members to refer them. If every Full and Associate member referred one friend, we would have approximately 2,000 new members! There are membership options for everyone, and you do not have to have a Harvard degree to join. Children and grandchildren of current Full members may join as Full members with all privileges through our Legacy program.

Please see the details of our new Harvard Club referral program, in this Bulletin. Information will also be included in the May billing statements and online to answer frequently asked questions and referral cards will be available at both Clubhouses. What could be more fun than seeing more familiar faces at the Harvard Club? Well, perhaps meeting new friends...

As always, I welcome any comments and suggestions at president@harvardclub.com. Thanks for your support.

Sincerely,

Karen M. Van Winkle '80
President

GENERAL MANAGER'S LETTER

Dear Members,

It all started in April of 2016 when our Downtown Clubhouse manager, Carol Bliss, joined the Hopkinton Running Club. A 4:00 am ritual of running with soon to be new friends who motivate, push and inspire each other.

In discussing this newfound passion with Downtown Clubhouse bartender, Maria Garcia, Maria told Carol that "one day you will run the Boston Marathon." An offer was made: "If I run the Boston Marathon, will you quit smoking?" Then, there was "the handshake."

Carol started with some jogging, then the completion of six 5Ks. On Columbus Day it was the Tufts 10K, which she completed in just over an hour. Then application of acceptance into the Boston Marathon arrived; there was "shock and excitement."

Not only did Carol reach her fundraising goal of \$7,500 for #261Fearless – she successfully completed the marathon with a very respectable finish time. And, Maria is down to 4 cigarettes a day. The staff at large is continuing to provide support for Maria as we cheer her on to beat a 45-year smoking habit.

See our June Bulletin for an update on "the handshake".

Feel free to contact me directly at scummings@harvardclub.com or 617-450-8400 if I can be of service to you.

Sincerely,

Steven P. Cummings, CCM, CCE
General Manager

CHEF'S CORNER

Twenty years ago, being a Chef was just about cooking the food. Today, being a Chef is about networking, public speaking, evolution, awareness, sustaining curiosity and passion, and most importantly – giving back. Now more than ever, Chefs have the tools to do more. Whether donating food, time, culinary wisdom, or experience, serving our community is a fundamental part of our continued success. This spring/summer the Harvard Club focuses its attention on two distinct events that do just that, GIVE BACK!

Feast with 45 at Fenway, hosted by the Pedro Martinez Charity, presents a night with Pedro Martinez, numerous professional athletes and will showcase menus from 39 of Boston's most elite chefs. All proceeds go to The Pedro Martinez Charity to support hundreds of children with their everyday needs, including food, water, education, job training, and an overall brighter future.

Now in its 20th year, Chef in Shorts ranks as one of Boston's most popular culinary events. This event brings together the area's top culinary talent to fire up the grills and battle to win "favorite dish," all while raising awareness and valuable funds for Future Chefs. This local, non-profit prepares youth for quality early employment and post-secondary opportunity in the culinary field and supports them in developing a broad base of transferable skills as they transition into the working world.

Through these events and our involvement, we're able to generate funds that support our children, our communities, and our future. We welcome you to join The Harvard Club in our efforts by attending these events, and showing your support.

MEMBERSHIP REFERRAL PROGRAM

What could be more fun than having some of your friends join the Harvard Club of Boston? Well, how about a “Weekend in the City” package for you, if you refer a new member?

The Harvard Club is launching a new membership referral program, and it’s never been easier or more rewarding to participate. Simply fill out a referral card you’ll see in your billing statement, online, or at both Clubhouses. All members, including Full and Associate members, are eligible for rewards when they refer a new member. If you refer a new member and they join, you’ll receive a “Weekend in the City” package including overnight accommodations at the Inn at the Harvard Club, dining vouchers for Veritas Restaurant, and complimentary breakfast and parking. You can use this reward as a “staycation” if you’re in the Boston area, or gift it to a friend or family member.

See our website for complete details or call the Membership Office at 617-450-4444. Some restrictions apply, and award packages differ depending on the type of member you refer.
