

HARVARD CLUB OF BOSTON

BULLETIN

DECEMBER 2017

Members danced the night away at Skyball, our Member Appreciation Gala, on November 4.

PRESIDENT'S LETTER

Dear Members,

Happy holidays to all! As most of you know, I have been a member of the Harvard Club of Boston for over 35 years and being a part of this community has always been a special part of my life. At two recent Club events, I felt particularly proud to be Club President. At our second annual member gala, Skyball, I experienced a renewed sense of community and comradery among members young and old. Many of you commented that you are spending more time at the Club than ever before, and attributed that to the greatly enhanced programs, food and service.

At the recent Harvard Football Dinner, the Club paid tribute to the team and recognized their dedication and resiliency in a particularly challenging season. We also recognized Ben Abercrombie, the freshman player who experienced a traumatic spinal cord injury, and on behalf of the Harvard Club of Boston, we made a contribution to the foundation that has been established in his name by the Varsity Club.

I am happy to report that the Club has been quite busy over the past several months. Our financials have continued to improve, and we are investing in several initiatives that we hope will enhance your member experience.

Share the Harvard Club of Boston with your children and grandchildren by giving a gift of membership through our Legacy program. They can begin to enjoy upcoming events such as the New Year's Eve party, our monthly Cocktail 374 events, and the wide range of programs we offer.

At this time of year, it seems most appropriate to count our blessings. I look forward to seeing you and your loved ones at the Club. As always, I welcome any feedback and suggestions at president@theharvardclub.com.

Sincerely,

A handwritten signature in black ink that reads "Karen M. Van Winkle '80".

GENERAL MANAGER'S LETTER

Dear Members,

I am thrilled to announce the Harvard Club will be a component of the *2018 MFS Boston Pro-Am Doubles Squash Championships*, scheduled for January 3 to 7. This event has played a prominent role in the World Squash Doubles Calendar for the last 28 years here in Boston. Most successfully organized by the University Club of Boston this year, to accommodate the burgeoning Women's Division, the Harvard Club will host a number of the Women's Main Draw and Women's Pro-Am matches. The Club's critical role will assure this illustrious, iconic tournament's continued growth and provide opportunity for the women's draw to expand.

The Athletic Department, our Club's staff, the Harvard Club Squash community and I are poised to assist in presenting a stellar environment to the players, sponsors, patrons, and spectators for this historic championship. This exciting news was announced during the recently concluded finals of the Banker Cup, which again proved to be a remarkable and exciting tournament. Please join us for the MFS Boston Pro-Am and touch base with Valerie Phillips, Sharon Bradey, Marcus DeFlorimonte, and/or Stephen Columbia to express your interest for making this unique event a great success.

You may occasionally see an administrative staff member with casual attire on a Friday. In our ongoing effort to support *Harvard Club with a Heart*, we are excited to roll out a new program where Club office/administrative staff will have the option to dress casually and donate. Staff may swap their business attire for jeans every Friday for a minimum donation of \$2.00. All contributions received from staff will be donated quarterly to a charity, with the first quarter's donation going to the American Cancer Society/Making Strides Against Breast Cancer.

I wish you and your family a wonderful holiday season.

Sincerely,

A handwritten signature in black ink that reads "Steven P. Cummings".

THURGOOD COMES TO HARVARD HALL

Wednesday, January 24, 2018

7:00 pm Reception

7:30 pm Performance

9:00 pm Dessert & Coffee

Back Bay Clubhouse

New Repertory Theater's highly acclaimed production of *Thurgood*, starring the Eliot Norton Award-winning actor Johnny Lee Davenport in the role of the brilliant US Supreme Court Justice Thurgood Marshall, is coming to Harvard Hall. A 12-season veteran of Boston's Shakespeare & Company, Mr. Davenport has appeared in more than 110 plays in the US and abroad. Reviews of his dramatic performance as our nation's first African-American member of the US Supreme Court have been extraordinary.

"Davenport has the kind of ineffable stage presence that can't be adequately described but needs to be experienced. His impact in live performance can be more directly traced to the way Davenport seems alive in every moment of a play and alert to exploring every possible corner of the characters he plays, including, crucially, their humor. However serious the subject, Davenport seldom succumbs to solemnity.

His Thurgood Marshall is every inch the happy warrior, although the ideals that animated Marshall also shine through in Davenport's passionate portrayal."

– *Boston Globe*

Members are welcome to invite guests of all ages; teens and older recommended.

Price per person: \$30 (plus *Club charge & tax). Price includes performance, dessert and coffee.

CHEF'S CORNER

One of the many things I love about working at the Harvard Club is the variety of restaurants and menus we offer. No matter what you are in the mood for – a casual meal like a burger and beer, or a five-course fine dining experience – we have an option for you. At our Back Bay Clubhouse, seven days a week, you could have a meal in our flagship restaurant Veritas Dining Room or enjoy a more casual atmosphere in Veritas Lounge, which has the same menu as the dining room, in addition to a bar menu for smaller bites. If you're interested in the burger and beer I mentioned earlier, in the evening ClubPub is one of our more popular options – especially to watch the game, no matter the sport or season.

At our Downtown Clubhouse, Monday through Friday, our power lunch spot is the Regatta Room with “white tablecloth” and sweeping views of the harbor. No matter the weather, the view can't be beat. Equally impressive, The Crimson offers a more intimate setting for breakfast, lunch, and dinner, with a great sunset.

We also take pride in the variety of cuisine, from traditional New England classics to worldly contemporary. So regardless of the dining experience you are looking for, the big question won't be where to gather for a meal, but which of the Club's five restaurants you'll choose.

As always, we look forward to seeing you at the Club.

Warmly,

Chef Dean

Through our Legacy Program, you can gift Harvard Club membership to your children, grandchildren, or parents. As a Legacy, they do not need to be a Harvard graduate to enjoy full membership privileges. They will value the countless networking and social opportunities or the incredible dining options available all day long, as well as the camaraderie that exists here—an extraordinary connection that turns a club into a home... and memberships into friendships.

To gift a membership, contact our Membership Manager, Cheryl Moderski at cmoderski@harvardclub.com or call 617-450-4444.
