BULLETIN

APRIL 2018

We celebrated Dr. Seuss's birthday at the Back Bay Clubhouse with fun games and green eggs and ham.

PRESIDENT'S LETTER

Dear Members,

Spring is a time of new beginnings, and that is one reason why we hold our Annual Meeting each year during this season. In my view, the Annual Meeting is one of the most important dates on our member calendar. We come together to elect leadership, hear about the performance of the Club over the past year, and learn about plans for the future. We also vote on any proposed changes to bylaws and house rules. Beyond business, the Annual Meeting is the perfect opportunity to re-connect with your friends at the Club. As part of the festivities, we host a wonderful dinner in Harvard Hall. You can expect a truly memorable evening and I look forward to seeing you there. If you have never attended an Annual Meeting, or if it has been a while since you have done so, I urge you to participate this year.

The Harvard Club continues to be recognized as one of the top private social clubs in the world. In addition to being once again named as a Platinum Club of America and now a Platinum Club of the World, we have also been recognized by Wedding Wire with their 2018 Couples Choice Award. Our staff work tirelessly to make sure your member experience is exceptional, and to maintain the prestige of this historic venue.

As commencement season approaches, we will once again be offering Harvard's undergraduate college graduating class a free one-year membership to the Harvard Club of Boston. Last year we had 259 Class of 2017 graduates join and we are hoping to top that. If you have a son or daughter (or grandchild) who will be graduating from another college this year, you can gift them with a membership to the Harvard Club of Boston through our Legacy program. This is a wonderful opportunity to provide for them the chance to make new friends, attend interesting events, and build their professional networks.

Happy Spring! As always, I welcome your feedback. Email me at president@harvardclub.com.

Sincerely,

A handwritten signature in black ink that reads "Karen M. VanWinkle".

GENERAL MANAGER'S LETTER

Dear Members,

I recently had the pleasure of attending the World Conference of the Club Managers Association of America. The private club business continues to evolve and face more competition than ever. Numerous clubs across the country have been sold, been dissolved, or have created partnerships in an effort to remain relevant and in business.

The use of technology in decision making is finally making its way into the club world. I am happy to report that in large part due to our newly formed Data Task Force, that the Harvard Club of Boston is among the 1% of private clubs using data analytics. While there is still much work to be done, it won't be long before other clubs come calling asking us "What are you doing?" and "How did you get there?" Special thanks to John Cornish, who leads our task force, and Bernard Ho, who has been donating countless hours of his time towards this project.

Wellness is fast becoming a must-have amenity at private clubs. The days of a small workout space are behind us, and wellness initiatives aimed at creating and maintaining an overall balance in your physical, social, spiritual, emotional, intellectual, environmental, and occupational well-being are wildly popular. Our Strategic Planning Task Force has identified numerous opportunities including wellness in an effort to create a five-year plan for the Club.

Member programming continues to take center stage, especially in city and alumni clubs. While our programming is strong, there are always opportunities to improve, and I encourage you to contact our Member Engagement Committee if you have any suggestions.

Finally, as our Annual Meeting nears — May 10, 2018 — I am pleased to report that fiscal year 2018 operations have been very strong. Revenues have increased over FY2017 and bottom line net income through six months has improved dramatically. A special thanks to the member volunteers, staff, and especially our members who have continued to support the Club.

As always, feel free to contact me directly at 617-450-8400 or scummings@harvardclub.com if I can be of service to you.

Sincerely,

A handwritten signature in black ink that reads "Steven P. Cummings".

HARVARD CLUB WITH A HEART SUPPORTS HARVARD MEDICAL SCHOOL PMC TEAM

As if being a first-year Harvard Medical student isn't challenging enough, two Harvard alums and three fellow medical students have decided to field a Pan-Mass Challenge (PMC) team. They'll bicycle 168 miles across Massachusetts to raise funds for Dana-Farber Cancer Institute's Zakim Center, a research and clinical care department within the Harvard affiliated teaching hospital dedicated to enhancing the quality of life for cancer patients. The team, Docs Who Lift, includes Harvard Club members Mike Seward '15 and Logan Briggs D'16 along with Chase Marso, Derek Soled Y'17, and Katie Lantz '15.

As part of our *Harvard Club with a Heart* initiative, we'll welcome the Docs Who Lift team to our Cocktail 374 event on April 9 in Harvard Hall. There, you'll be able to meet the team, make a donation to support their ride, and bid on a range of exclusive silent auction items they have assembled. Please join the Harvard Club in supporting this inspiring team.

Silent auction items include signed and framed photos of sports legends Ted Williams, Carl Yastrzemski, Peyton Manning, Hank Aaron, Jack Nicklaus, Yogi Berra and local fan favorite Dustin Pedroia. Also in the auction is an authentic NBA jersey signed by Magic Johnson, Harvard and MIT fleece jackets, and dining and hotel gift certificates from the Harvard Club of Boston.

*Harvard Veritas Fleece Jacket

at the silent auction.*

The Pan-Mass Challenge raises over \$4 million annually for life-saving cancer research and treatment at Dana-Farber Cancer Institute. Since its founding in 1980, the PMC has provided Dana-Farber's doctors and researchers with the necessary resources seeking cures for all cancers. 100% of the funds raised by riders are donated directly to Dana-Farber.

7:00 pm Reception
7:30 pm Talk followed by Q&A and Book Signing
Back Bay Clubhouse

Barbara F. Berenson is the author of *Massachusetts in the Woman Suffrage Movement: Revolutionary Reformers*.

Few know Massachusetts was at the center of the nation's revolutionary struggle for woman suffrage. Long before the Civil War, Lucy Stone and other Massachusetts abolitionists opposed women's exclusion from political life. Demanding the vote and other reforms, they launched the organized women's movement at the first National Woman's Rights Convention, held in Worcester in 1850. After the Civil War, Stone founded the Boston-based American Woman Suffrage Association and the *Woman's Journal* to lead woman suffrage campaigns across the country—and in Massachusetts.

Learn why Massachusetts suffragists have not received the attention they deserve. Berenson's book raises

Lucy Stone and her local allies to their rightful stature in the national suffrage narrative.

CHEF'S CORNER

Over the years we have had the opportunity to work with one of the best fish suppliers in the country, Foley Fish Company. Their commitment to quality is second to none. Foley's strict quality control ensures that only fish that have been caught within one or two days are delivered to their clients. Foley is so well known that restaurants as far as the Midwest pay extra shipping fees to have their fish delivered to them, as opposed to sourcing options closer by.

Foley hosts a three-day intensive "Foley School of Fish" program that invites Chefs from all over the country to attend. Martha Dietrich our Sous Chef at the Downtown Clubhouse attended last month, along with 14 other chefs from around the country.

Join us at either Clubhouse soon and enjoy the freshest seafood dishes featuring this outstanding fish company.

We look forward to seeing you at the Club.
