BULLETIN

JULY / AUGUST 2019

Our monthly party, Cocktail 374, is a great place to meet and mingle with fellow members. Our July 15 event will have a Red Sox theme and include a ballpark style menu.

PRESIDENT'S LETTER

Dear Members,

This letter covers activities over the July and August months, a period known as “the dog days of summer.” The phrase references when the sun occupies the same region of the sky as Sirius (the Dog Star), the brightest star in the constellation, Canis Major. During the 40 days between 3 July and 11 August, the Dog Star rises and sets in conjunction with the sun. The ancient Romans believed that because Sirius was so bright, it actually gave off heat and added to the sun’s warmth during this sultry time. Hence, the ascription diēs caniculārēs, or “dog days.”

The sun, moon and stars were the ancients’ objects of deification. While celestial bodies continue to be wondrous, they are now destinations of exploration. President John F. Kennedy (’40, HCB member 1946 – 1963), in a memorable speech at Rice University on 12 September 1962, inspired a generation of Americans to land a man on the moon before the decade’s end. “We choose to go to the moon... and do the other things, not because they are easy, but because they are hard...”

On 20 July, the world will celebrate JFK’s vision and one of humankind’s greatest achievements: the 50th anniversary of the Apollo 11 moon landing. On 17 July, the HCB will host Captain Dr. John D. Kelly, Program Executive at NASA who will give our members and guests an illustrated talk commemorating this momentous achievement. Events such as these embody the Club’s mission of encouraging our members’ intellectual interests.

And to take the bite out of these sizzling dog days, please consider attending our annual Battle of the Harvard Club Chefs, slated for Monday 29 July at the BBC. Our Club’s finest cuisiniers square off in a culinary competition that’s certain to be great fun for all.

Lastly, the HCB will soon commence with some of the “hard” things we have long contemplated. Such is requisite for the next generations of Harvard Club of Boston members to come.

Thanks for your review and please contact me at president@harvardclub.com with suggestions, concerns or general remarks.

Donec iterum, Veritas.

GENERAL MANAGER'S LETTER

Dear Members,

Summer is upon us and it gives us an opportunity to finalize fiscal year capital projects, complete our FY2020 operational budget and outline capital expenditures for the coming year. Next year’s projects will include continued window replacement, repointing and replacing of our brick façade, updates in our energy management system, the renovation of 5 overnight guest rooms, some roof replacements and a new steam boiler.

Operationally, I am pleased to report that our fiscal year end estimates have us substantially ahead of plan. Revenues have been strong and costs are under control leading to an increase in net operational profit.

Please join me in welcoming back 40 former Harvard Club members who took advantage of a return program we recently initiated. We are very pleased with the results and again, welcome them back to the Club.

Congratulations to Kristy Burns, our Director of Member Events who was recently inducted as President of Meeting Professionals International, New England Chapter. MPI is the largest meeting and event industry association worldwide.

Finally, we have had several personnel changes in the last month. Matt Dawson, Accounts Payables, will be moving to the Downtown Clubhouse as a Food & Beverage Manager. Yanina Carbajal currently in Reception at the Downtown Clubhouse will move to the Back Bay Clubhouse as the Accounts Payable Specialist. We have also hired Milton Moreira, who will be working in the banquet department at the Downtown Clubhouse, and Nicholas Horgan as our new IT/Accounting Specialist. Please join me in wishing these talented individuals the best in their new roles.

Please feel free to contact me directly at 617-450-8400 scummings@harvardclub.com if I can be of service to you!

Sincerely,

Steven P. Cummings, CCM, CCE

CHEF'S CORNER

Dear Members,

With summer finally upon us, join us at the Downtown Clubhouse to enjoy a wonderful dinner prepared by our talented Chefs Burt, Martha and Chad. We try to take advantage of as many seasonal items as we can and incorporate locally sourced fresh fish and produce. We recommend starting with one of our new salads, the summer berry salad, with fresh strawberries, blueberries, butter lettuce, frisée, fresh orange pieces, a Manchego cheese crisp and champagne vinaigrette. Follow this up with pan seared scallops with acorn squash puree, wilted spinach, citrus beurre blanc and hazelnut crumble or the blackened halibut with seasonal vegetable risotto, crispy fennel, parmesan and fresh carrot slaw. We'll also be offering a steamed lobster dinner served with corn on the cob, baby yukon potatoes and drawn butter Wednesday through Friday all summer.

Make sure to sign up early for one of our cooking classes taking place on Monday, July 22 and Monday, August 19. These classes are very popular and sell out quickly. This is a great opportunity to work alongside our culinary team and learn some new skills to show off to your friends.

We look forward to seeing you at the Club.

PUBLIC POLICY BOOK DISCUSSION GROUP

Friday, July 12, 2019
8:00 am—9:00 am

Our July selection is *A Bright Future: How Some Countries Have Solved Climate Change and the Rest Can Follow* by Joshua S. Goldstein and Staffan A. Qvist.

The first book to offer a proven, fast, inexpensive, practical way to cut greenhouse gas emissions and prevent catastrophic climate change.

Clearly written and beautifully illustrated, yet footnoted with extensive technical references, Goldstein and Qvist's book will provide a new touchstone in discussions of climate change. It could spark a shift in world energy policy that, in the words of Steven Pinker's foreword, literally saves the world.
